PROFESSIONAL SUMMARY

I graduated from BCA 3rd year (final year) and I have strong fundamentals in Python, JavaScript, and Data Structures, built an NLP-based AI project implementing text preprocessing and model evaluation techniques. I'm Certified in Microsoft Azure AI Fundamentals and AWS Cloud Practitioner with working knowledge of cloud architecture and security principles, passionate about building scalable solutions and continuously improving through hands-on experimentation.

EDUCATION

Bachelor of Computer Applications (BCA) – KL University, Hyderabad | September 2023 – Present

Class X + 2 – Ganges Valley School, Nizampet, Bachupally | March 2019 – March 2023

PROJECTS

Eliminating Manual Evaluation With Automation

- Built an AI-powered online examination system to automate student assessment.
- Automatically evaluated objective questions and used NLP-based evaluation for subjective answers.
- Managed exams, student responses, and results through a secure database.
- Generated instant scores, feedback, and performance reports, reducing manual effort and improving evaluation accuracy.

CERTIFICATIONS

Microsoft Azure AI Fundamentals (AI-900)

24 August 2026

Microsoft

AWS Certified Cloud Practitioner |

9 February, 2026

AWS (Amazon Web Services)

https://drive.google.com/drive/folders/19YQLhbfD96qo1r8mjZkcTDTF-jLYW_4o

TECHNICAL SKILLS

Programming Languages: JavaScript, Python

Web Technologies: HTML, CSS, React, Node.js

Core Concepts: Data Structures, Backend Development, Semantic Similarity Models

SOFT SKILLS

Analytical Thinking | Problem Solving | Collaboration | Communication | Adaptability

INTERESTS

Guitar – Music

I like playing guitar

Sports – Cricket

Sometimes I play that sport with my friends

VOLUNTEER

Zilla Parishad School

December 2023

Near KL University

I did volunteer at that school. It is very fun giving out snacks and supplies, which are books and bags and chocolates too. We stayed for a bit longer to entertain the children who were there at that time.
